Trailblazer Awards are intended to provide funding to support targeted research or programs. Funds are intended for, but not limited to, the following: obtaining preliminary data for a specific extramural grant application; development of a community advisory board; participant fees; software; equipment; or to enhance a funded project (e.g., additional sub-aim or secondary analysis).

Investigators from all Frontiers partner institutions are eligible to apply.

For questions contact Frontiers at frontiers-info@kumc.edu or 913-588-6290.
